

Our Local Impact

At Big Brothers Big Sisters of the Ozarks, we believe every child holds limitless potential waiting to be realized. Our mission is simple yet powerful: to ignite and nurture life-changing relationships between caring adult volunteers—our “Bigs”—and children and young adults—our “Littles”. These connections don’t just transform individual lives; they strengthen families, schools, and the Southwest Missouri community as a whole.

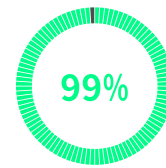

Working alongside parents, guardians, volunteers, and supporters, we are committed to helping every child in our program dream bigger, grow more confident, build lasting relationships, make positive choices, and reach their full potential in school and beyond.

Match Activities are free monthly events hosted by BBBSO that allow our Bigs and Littles to spend quality time together while connecting with other matches. Each month offers something new and exciting — from bowling nights, painting classes, and movie screenings to outdoor adventures, scavenger hunts, volunteer projects, and trips to local attractions. These experiences help build stronger bonds and create memories.

Think Big Foundation supports Big Brothers Big Sisters of the Ozarks through sustainable revenue. Our drivers collect donated clothing and shoes from bins across Southwest Missouri, shipping them to global buyers.
